To the Family oh Almeta Washington. Almeta was a friend of mine from teaching third grade at Holleman Elem. in Waller, Texas. I'm so sorry to hear that she has passed. May you have peace and comfort during this difficult time. She was a sweet and caring educator.

“ *Dear Arthur –*

Please accept my sincere condolences for the recent loss of your wife, Almeta. I got to know her as a sweet and gracious lady when I sang with her in our church choir. When we lose close friends or family members, we always wish we could have spent more quality time with them, but I hope that you can be comforted knowing that even after 61 years of marriage, you will still be able to spend all of eternity with Almeta and other believers who have crossed over before us.

Your brother in Christ,
