“ To my darling cousin: God needed a beautiful flower for his garden and a singer for his glorious choir so he reached down and ushered our beloved Angela. We may not understand now, but we will in due time. God Always has a plan and we all must follow it. We Love and Miss You Dearly.
Your cousin,
Cherlyn & The Entire Family

I can hear her say, “Lord, Kendrek if Nanny told you, you have done it by now” the demise of Angela is truly daunting for the body of Christ! Angela with the unction of God summoned us this year on February 20-22 for a Healing Conference. This was not just “another conference” this truly was life transforming. A unprecedented 500 voice choir that simply electrified us with heavenly anointed voice with one sound. Angela devoted and yielded her life to be a worthy vessel for our God. I’m grateful to have been in her presence. She faithfully was the caregiver to our beloved Dr. Earline Allen. The countless trips to different church functions and late nights she cared for her are and will ever be chiseled and etched on our hearts. I remember speaking with her one day and I told her I passed by the batteries for the hearing aides and I had a meltdown. It reminded me of Mother Allen and changing those batteries. Angela loved all that came in contact with her. She immensely loved her family. They upheld her in every endeavor she put her heart, mind and soul in. She dearly loved her radio family. She drew so much strength for being a voice to the voiceless and encouraging those who were down. Rest well Angela! You are now apart of the GREAT CLOUD OF WITNESSES! We love and you will be tremendously missed.
