“ Anna Lee Citizen, my dear beautiful niece, you will forever be missed be me. My heart aches when I think of you no longer being here with us. You were such a joy to us, so much fun, so gregarious, beautiful inside and out.

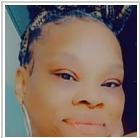

I miss you so much and I will cry often, but I will do my best to lean on the Word of God and His promises. It is He who is the author and the finisher of our lives...

II Corinthians 5:8

Now the power that has planned this experience for us is God, and he has given us his Spirit as a guarantee of its truth. This makes us confident, whatever happens. We realise that being “at home” in the body means that to some extent we are “away” from the Lord, for we have to live by trusting him without seeing him. We are so sure of this that we would really rather be “away” from the body (in death) and be “at home” with the Lord.

Until we meet again Anna...I love you! 🥹❤️
