“ I met Bertina in 2013 when I became employed at MD Anderson Cancer Center. She befriended me and guided me through the halls of the hospital. She was always kind and friendly and I enjoyed our friendship throughout the years before she resigned. I was saddened to hear that she was gone from this life, but I believe she is rejoicing in Heaven. I send prayers and strength to her family and that God will give them a peace that passes all understanding 🙏
