“ My sibling patriarch Bobbie Jr., as you transition from the physical world to the spiritual world your presence will be missed. I will miss our conversations on messenger and seeing you when I’m home. Your love of life and laughter surrounds me. The journey of life has ended for you but you will always remain in my heart and prayers. Our life together through the highs and lows, joys and sorrows, milestones and disappointments is part of the legacy you leave behind. May you be a beacon of light for your family on this earth until we meet again. I pray God strengthen your family during this time of loss. God bless Vern, Bear, Samantha, Bobbie III, your grandkids, brothers and sisters. My Big Brother I love you forever and always.

“ *My father-in-law loved his family and will always be remembered for his beautiful smile and contagious laugh. He'll be missed more than words can express.*
