“ *Brandon how I enjoyed reading your post every morning on my way to work. You had a old soul, like the elders would say. Meaning that child has been here before. I admired how you was so determine to be a role model to your peers. Work hard, played hard. We are hurt how your life ended so quickly. You will always be in our hearts. Love you always!

Brandon you will be truly missed. I remember when I first found out your Mother was pregnant with you. I never came around as I should due to me moving. Your Mother kept me informed with your upbringing, great Mother she was. You brought joy to your family. Now that you were taken so swiftly the hurt and pain is there, we can only pray that God will fill their void. Rest on sweet Angel. Forever in our hearts. Love Always! Dora J Maxey
