“ *I met Brenda Burch at the age of eleven when my family moved to Langston, Oklahoma. We were classmates from the sixth grade thru college. Brenda was kind and had a sense of humor that kept me laughing all the time. She will truly be missed. We became sister friends right away.*

*Proverbs 18:24 (One who has unreliable friends soon come to ruin, but there is a friend who sticks closer than a brother.) Brenda was loyal and dependable, even in difficult times. My prayer is that God will give the family peace. Carolyn Jones Battle*

“ Brenda and I were part of the Class of 1973 Guthrie High Bluejays. We song in the glee club and was in the pep club together. The one thing I remember the most about was that she was outspoken when I wasn't and she always had a positive attitude. She made me laugh because sometimes I thought she was a little dingy in a good way Brenda you are going to be missed. I was hoping we would celebrate our class reunion together but God has other plans. So t guess I will see you at the big reunion. Until we meet again my friend Rest in Heaven

To the family may God's grace and mercy continue to comfort you through this time 🙏❤️🙏
