“ *Something Bryant told me recently was " life ain't about what you wanna do it's about what you gotta do " that's something that will stick with me when I feel like this burden is to heavy to bear, I know I must keep going in life . I'm truly praying for the family and all loved ones during this difficult time. Remember Bryant with a smile and hear his encouraging words.*

“ *You were more than a father you were love in action. The way you showed up for our daughter, and the way you loved my son without hesitation, spoke volumes about your heart. You protected, taught, laughed, and gave them a love that will live forever. I'm grateful for every moment, every lesson, every memory. May Allah wrap you in mercy and grant you Jannah. Until we meet again, you will always be a part of us. -Alexis*
