“ *It's been a little over a month since we gained you as angel. It's still unbelievable that you are not here with us. The most kind hearted person you would ever meet. Helped everyone out, always a ball of fun to be around. You get that from your mother. She has a heart of gold just like you. Always doing for others. I remember the last time i saw you for Jaylen's birthday. We hugged each other so tight, and you kissed me on the cheek. It was so good to see you. I will forever cherish that moment. You are greatly missed Cam. Please watch over your parents. Give them the strength they need to walk this earth without you. Watch over your bros, they are hurting without the heart of the team. They need your presence, even if it's in a dream. Come to your mother and guide her. Speak to her. As long as I am able, I will be there for the family forever. We love you and miss you dearly. #LLCAM💔*

“ Some of my memories I can't tell y'all about(crazy/wild). Lol Him and my son called each other twin(Cam and Cam). They were REAL good friends. You couldn't do nothing but love him. He had the biggest heart/smile and wanted to see everybody win. He was a joy to be around. He was always respectful and knew how to make you laugh. Death he didn't deserve. You will be truly missed and especially by twin. Love you Cam, get your rest. #HeKeptItTooReal
