“ *The biggest heart, the beautiful smile, the kindest words, the best cupcakes, the new convert turned friend turned sister; the most needed hugs, the mom connection, the peace in our awkwardness, the shared tears and bellowing laughter; the lets get together open door policy, the Nerf battles, the shoulder to lean on, the boldness, the fervent prayer partner and the love beyond measure... I will miss it all. I will miss you. ❤️❤️❤️ ~Me.*

“ My mom was the only person I know that would come to bat for me until the very end. She loved me and my sibling so much. The love she aggressively showed will always be missed. She was stubborn but the way she cared about the people around her was perfection. Just as much as she loved and cared she was someone that also wouldn't shy away from the brutal truth. She will definitely always have a place in my heart as long as I'm living and then some.

“ *There are no words to describe the bond we had together. The heavens are shining brighter now that you are home. I find great comfort knowing you are with my sweet Eliana. I am so beyond grateful that your family was brought into our lives, we are richer in spirit and love having known you my sweet friend. To say you will be greatly missed is not even close to the hole we are all feeling. Rest well and in the arms of the Lord our "tina".*

“ This was definitely my go to person. Truly a rare jewel and going to be terribly missed. My most fondest memory of Chrisy was when I called everyone in my family to get this mice out of the restroom that landed on a trap. She was the only one that responded and came in a hurry for her scary Sis lol 🙈👤♀️. Long story short she removed the rodent and ooh and awe over how cute that thing 🤩. She was loyal compassionate and will always go hard for the ones she loved. I’m glad to had been loved and cared for by such a loving Soul. You will be loved and missed forever Chrisy. P.S you will be proud, I’m finally getting my life together ☐

“ My beautiful, spunky , adventurous , animated sister. I love you beyond measure. I’m going to miss your laughs, your silliness and most of all that beautiful smile. Knowing the love that you had for god I’m at peace knowing that you are with him. I love you dearly and you will always and forever be in my heart.

“ I love you so much Christy. As long as I'm living your memory will be alive in me. Rest in love, my love. I pray that God continues to bless, protect and cover your family as they endure the journey we could never see coming: Living life without your physical presence. May God bless every memory that each person holds and shares, to bring forth joy with each utterance of your name. May the remembrance of your spirit bring peace to all as they choose to remember. I Love you so much my sister.
