Tobias Lawrence Gray - November 20, 2023 at 08:56 PM

“ It seems so unreal.... My heart is broken. Thank you for loving me as if I was your own daughter. I will miss your voice, hugs, and unconditional love for us. Oh how I wish we had more time for beach trips, hearing you telling me what you're going to cook, your presence at every event, your calls just to hear my voice.... I can go on and on. We are now left to cherish all the good times we had. Holidays will Never be the same. I know you would want us to lift our heads up and keep going. I can't lie... it hurts so bad. We are thankful you're not in pain and we know you fought hard. Rest well until we meet again. Love always, Catherine
