“ *I wish I knew where to start or the words to say. Everytime I think of my lil cousin being taken from us, my heart breaks into little pieces. That boy(I know he's a man) had a heart of gold. He'd give you the shirt off his back and shoes off his feet. Dang! I'm gone miss him and his coyote howl! Love him so much*

*I didn't know u personally I net u two weeks ago thru a friend of ur. U were a man with a smile. That's awful for someone to b so cruel and hateful. May u rest in peace. May God comfort and keep ur family in his arms now and forever. Family cry if u must that's what tears r for. But know that God will always b there for u anytime u need him. I'm praying for God to comfort ur heart thru this must trying time in ur life..*

“ *Shawn, your love and loyalty will always reside with all of those you've touched and will be deep in our hearts. This pill will take an eternity to digest as you take your place above. Rest easy my friend. Watch over all of us until we see you again. ❤️*

“ This is a hard pill to swallow. You were the one person that always remained the same and was solid always. You were always the calm one in the bunch no matter what. I appreciate the bond we shared and will miss you beyond measure. My heart hurts for our childhood family and it breaks for your kids, grandkids, your mom, Melody, and all your family. You will forever be in our hearts and truly missed. I refuse to say good bye as I know you're still with us and will protect us from above now. I love you so much Big Bro. Get your rest now!!!
