“ My name is Faye Morris. WOW, Dexter's passing has been soo sad to hear. I worked at the GPO with Dexter. Dexter had the most welcoming, kind & contagious SPIRIT ever. Everytime that U saw Dexter, he had that BIG smile on his face. I can almost hear his voice. Whatever foolishness Management gave us at the GPO, Dexter NEVER let it bother him. He was killing them with kindness. There aren't too many people like Dexter. We knew that he was a Servant of God just by talking to him. I can't be sad because God needed his soldier in Heaven. I am working on my life thru God, so that I too can go to Heaven like Dexter. Until WE meet again. I love U Dexter.

“ Condolences to Sharon and the family, I worked with Dexter for many years at the Post Office. We were also members of the same church. Dexter was one of the most kindest and most humblest person that I have ever met. May God give the family comfort and peace and may Dexter Rest In Peace
