

Ms. Diana Woodward

April 20, 1954 - June 11, 2025

Diana Elaine Woodward, born on April 20, 1954, in Houston, TX, was sent to her eternal home on June 11, 2025. She was the beloved daughter of John David and Betty Jane Wyche. Known affectionately as Diane, she attended Milby High School and was proud of her work with the Houston Area Urban League, as well as her role as a Radiology Secretary for over 20 years.

There was nothing that she loved more than spending time with her family. Her children and grandchildren were the lights of her life and brought her immeasurable joy. She was picky about who she called a friend, but once you earned that title, she loved you like family.

Diana was known for her classy style and love for fashion. She was beautiful and refused to age with anything but grace.

Her journey on this earth was one marked by love, compassion, and unwavering faith in God. As the matriarch of this family, there is nothing that

she wouldn't do for her loved ones. She was the epitome of a mother, grandmother, and sister. Whether it was a place to stay, a few bucks to tide you over, or a hot meal, she gave to you from her heart.

Diana was preceded in death by her daughter, Monica Robinson, her mother and father, John David and Betty Wyche, and her brothers, Donald Wyche and David Wyche.

Diana is survived by her son, Curtis Grays, Jr. (Camille), daughter, Devin Arceneaux (Kasey); grandchildren, Taylor Elliott-Yearby(Charlie), Khalil Robinson, Anisah Robinson, Camyren Grays, Curtis Grays III, Dayne Arceneaux, Corey Grays, and McKenzie Arceneaux; brothers and sisters, Christopher Wyche, Steven Wyche (Teresa), Bernard Wyche, Jack Wyche (Janice), Jacqueline Wyche, Sheila Wyche (Anita), Michael Wyche (Kimberly), and Patrick Wyche; aunt Sister Beulah Wyche along with a host of nieces, nephews, cousins and friends.

Her passing has left a void in the hearts of those who loved her the most. She will be sorely missed by her family, friends, and many more whose lives were touched by her. We ask that you remember her not for the way her life ended, but for the way it was lived, and for the profound impact it had on the lives of those who had the pleasure of knowing her.

“ Diana was always a bright spot in the Radiology department at Woman's Hospital of Texas where I worked with her for over 19 years. She continually wore a smile and radiated a happy and positive outlook on life. She laughed at our playful teasing of "Lady Di" as she was always perfectly coiffed and dressed. I hope that her family has many sweet memories of Diana that will carry them through this very difficult loss.

“ I had the pleasure of meeting Ms. Diana, an extraordinary individual who embodied kindness and sweetness. Despite being my younger brother's mother-in-law, she took on a special role in my life, akin to an aunt. Her memory will be cherished, and she will be deeply missed. 🙏🏻🙏🏻

“ You were never just my sister-in-law—
That name was far too small.
You were laughter in the quiet,
And strength when I would fall.

We made a bond beyond the name
That marriage only gave;
A love not tied by blood or law,
But one no end could break.

The quiet strength in your gentle embrace,
The wisdom you gave with calm and with grace,
Still echoes in moments both big and small—
Your light hasn't left, it glows through it all.

Though now you rest beyond my reach,
And silence fills the air,
I feel your spirit walking near—
In memories everywhere.

Love always,
Kim 💜

“ I remember Us going out of town and you were pissed off cause we had to walk to the other side of the airport cause daddy got the information switched up. And once we sat down you must have cursed him out and we started giggling down after. I’m going to miss that sassy spice!!! I love you ma!!!
