“ This is definitely a hard pill to swallow. First and for most I would like to thank God for giving me a wonderful father. A hard working man who didn't like to miss work. Dad your going to be truly missed. The laughter, car rides cooking your favorite meals just to see you take a nap after you eat. Listening to your favorite song (Proud Mary), Your favorite gospel song, sung by Uncle Booker. Your fast driving, you announcing your self when you call. (Shenese this your daddy) Being your dominoe partner and praying i make the right move (lol) I can go on and on. We shared so much. Dad I'm going to miss you, I Love, Love, Love you. God took a true servant and I'm happy and I'm proud to be your daughter. Rest in heaven you deserve your □ wing's
