Hey, Eli, I miss you I remember us always roasting each other and, I may have dated u, but we were better as friend and u made me realize how good we were as friend. I cried the whole funeral, but I cried the hardest at the end is when I realized I had to let you go my body got weak and i couldn't believe it was true, but it is. Love Aayana

This is a letter to my close friend I'm going to miss u Elijah: The moment that you died my heart was torn into two one side filled with heart ache, the other died with you I often lie awake at night when the world is fast asleep, and take a walk down memory lane, with tears upon my cheeks. Remembering you is easy I do it every day, but missing you is heartache that never goes away. I hold you tightly within my heart and there you will remain. Until the joyous day arrives that we will meet again #LLE goanna miss u until we meet again
