“ We are sorry that we can't be there with you at the services today, we are out of town.

Downtown is one of the kindest people that we know. I'm Kenney 's wife, Eva. We have known him for at least 29 years. Kenney was with him at the hospital for the birth of one of his grandkids!

We have so many memories. One funny memory - we remodeled our home a few years ago. Downtown took pictures and posted them on FB. He never said it was his house 🤔.

He told us that he got so many 'LIKES'. We laughed for days about that!

Downtown will be missed.

We trust that God will bring His comfort to the family.

God is faithful!
