“ *Shocking news to hear of Bro Dawes' passing. I was helping out at the food pantry not long ago. Walking to my car, I ran into Bro Daws and as always, he said something that had me smiling n encouraged. He will definitely be missed.*

“ *I was in the hospital when I hear of Dawes passing and had no words! I have known Elder Dawes practically most of my life. I was a young girl when I met Dawes at Hanson Place Church in Brooklyn, NY. I will miss him and the ongoing personal jokes we shared. I also had Dawes as my preferred appraiser partner in the early days of my real estate career. You or Perry won't need that pen in heaven, Bro Dawes (our running joke) I especially pray and give my love and condolences to Sis Dawes, Latoya, Dawes, Jr and the other siblings. I'll meet you in heaven, we'll sing songs together, I'll meet you at the Saviors side.... All my love, Janet*

“ The Loney family in Jamaica, Canada, The USA and England join me in sending our heartfelt condolence and sympathy to the Dawes family for the loss of a father, husband. Brother and friend. We grew up together as friends, neighbours and church brothers in Jamaica. For years we walked the three miles to Newport church. We even discussed joint venture opportunities in Jamaica together. A few years ago I was passing through Texas -was quite lonely in my hotel room-he came by and spent all nite telling Jamaican stories-he was a great story teller.From a child he has known the holy scripture to guide to a better land. May his soul rest in peace-we will meet him in the earth made new. Lovingly submitted-Clayton Loney & family
