“ *I had chance to work with Mr. Gary during my career with the City of Houston and he was a pleasure to work with. He was always kind, respectful, helpful and always willing to go the extra mile, which is indicative of a man of God. I wish we had more people like Mr. Gary, because he didn't just give a sermon, but he lived the sermon. We send our condolences and sympathy to the Edison Family. Roland Mosley*

Mr. Edison was a great man of God. His joy was tangible. He had a sincere heart and always gave 100% while working at the City. He was missed when he retired, but I took for granted that I would see him again. Well, I'll see him on the other side. Rest well, Mr. Edison. You were a good and faithful servant of the Lord!

I thank God for Gary being in my life. He insisted that I go to the hospital when I had a heart attack at work, and wouldn't leave me alone until it happened. My heart stopped on the ambulance, and so I thank God for Gary, because I feel he literally saved my life that day. He was a wonderful man, full of kindness, and joy. He said good morning every day. I'll see ya again on the other side Gary. Until then, you're light will shine on and I will never forget you.
