“ Sis. Hessie was the one most wonderful and caring people I've ever met, She continuously checked to see how I feeling when my mom passed away, she didn't have to but she did, Your soul is at peace.

“ Time always seems to be flying by, with no possibility of slowing down. Just as all of my last memories with my grandmother has been. It's difficult to shake the feeling that time is fleeting. It seems that there is either not enough time, or too much time wasted, but never is it just the right amount. You lived an amazing formal spiritual life Grandma & planted seeds everywhere. And not only in yo garden Even in my kids. I'm still growing off your advice till this day!! I love you 💕 my guardian angel ☐ 🙏 my guidance force 🏆🏆

“ My aunt was very special, I often told her that one of the things I remember most was how she could cook and as a child I loved her blackberry cobblers. I'm so thankful that I was able to visit her on September 5, 2023! That was a blessing. Delores amack
