“ It was so nice to see your smile and hear you laughing whenever my mom and I would come over. I've been knowing this family for over a decade and it's so sad to know a sweet soul is gone! We got your family, you get your rest :)

“ *I want to thank you for everything—for being a strong and loving father, for teaching me resilience, kindness, and the value of hard work. You showed me what it meant to stand tall in the face of challenges, and to love deeply without condition.*

*There's so much I wish I could say to you now. I wish I could tell you how much I love you, how much you've shaped the person I am today. I wish I could hear your laughter just one more time, or feel the warmth of your hug. But I know you're watching over me, guiding me from where you are now.*

*Even though you're no longer physically here, I feel your presence in the quiet moments, in the memories we shared, and in the strength you've passed on to me. You'll always be with me, and I will carry you in my heart for the rest of my life.*

*Rest in peace, Dad. I love you, always.*
