“ *Statement of Resolution for Mr Huey Johnson*

*Therefore let it be resolved that we stand with you.
In the unity of one voice and one heart, we extend to the Johnson family our constant prayers during this time of challenge and loss. “Earth has no sorrow that heaven cannot heal”. We join the Johnson family to celebrate the life of Huey Johnson, a man whose legacy is defined by the deeply principled and genuine character of the generations that came from him. May God welcome Huey Johnson into his presence and the blessing of eternal rest. May the hope of glory through Jesus Christ bind the Johnson-Harris family together with chords of love that can never be broken.*

Prayerfully and Lovingly Submitted,

“ Where do I begin. I feel so honored to be apart of this family. I have never been treated like a in-law. I remember going to uncles house for the book study. That was my first time meeting him. He Was such a spiritual man but he had balance. He loved to cook mustard greens chitterlings along with bar b que with Frank my dad. He would get down with his dance moves in the living room. I would try to do those moves but he had them down pack. He had a laugh and littlebet sounds just like him when she laughs. I know I will dance with him in the new world. I love you uncle see you soon!

“ To my Uncle Huey, I miss you already. You were always the Uncle that loved to show his dance moves, nobody could out dance you. I miss your laugh and all the fun we had. I miss the weekends (family time) shooting pool and playing cards. I love you always, until I see you again. Francine

“ I'll never forget those Saturdays with the whole family. I value the generosity of Uncle Huey and Aunt Ruby. They opened their home with good food, card games, and always laughter. There were people EVERYWHERE! Inside, outside, front yard, back yard! The true definition of FAMILY. -with love, Kasondra Brown Hollis aka "K.C." aka " San-San"
