“ *In this time of true hardship for my family, the Smiths, I ask that You cover them with Your love, peace, and protection.*

*Lord, she has lost her support, her love, and her partner in this life. He has gone home to be with You, Father. We do not question Your timing or Your will. We simply ask that You surround her with Your comfort and keep her wrapped in Your grace.*

*Cover her with the blood of Jesus and fill her heart with calm, strength, and peace. In her time of grief, remind her that she is not alone. Hold her close, Father. Give her rest when her heart feels heavy, and give her courage for each day ahead.*

*May Your love be her shelter, Your presence be her comfort, and Your peace be with the entire Smith family.*

*In Jesus' name,  
Amen.*
