“ *To The Family Of Jarvon Coles:
My heart is heavy as I send these words of condolences to you. I didn't know Jarvon, but it would had been a pleasure to have known him. I read his story online and I loved him immediately . He was the type of young man every mother would love to call her son. I don't have a son of my own and I would have gladly claimed such a fine young man.
Mom, grandpa, family, coaches, teammates, school and the entire village who helped raise such a fine human being in this troubled world. "You Did A Great Job"*
