“ *Dearest husband,
It's been a month and a few days without you and it's very hard to grasp this new way of living without you. I know that you're at Peace with the Lord our Savior. The love and support that has been received until this day shows how much people loved you.*

*Loving you always.. your wife,
Michelle Simien Blake*

“ Where do you begin when love ones are unexpectedly taken from you? You start reflecting on the good times and memories that you made with that person. I'll never forget this day. I was gifted Houston Rockets tickets and I couldn't think of no other person to take besides my favorite Brother in law...yes he's my only one but he's still my favorite. We had a really great time at the game. Now it's the saddening times on missing them. This is hard for ALL that loved Johnas Blake especially his loving wife, my sister Michelle Simien Blake his daughters and his son. He was really excited about the new addition coming to the family in April. Johnas you will be dearly missed but knowing you made an impact on lives will last forever. RIP, your favorite Sister in law Tami 🙏❤️🙏
