“ Deon the Great! My heart is filled with so many wonderful memories of you. You want let me be sad, nor will you let me cry. I'm going to miss loving on one another through words of affirmations. I've always admired you and thrived to be just as successful as you. Your knowledge and wisdom taught me and so many others. You were such a gift here on earth. Love you favorite cousin!

“ Rest easy Big Bruh, I met Deon when I was walking to school at Landis Elementary off Spice Ln I was probably about 7 years old. Never knowing years later he would become a part of my family, he married my cousin but we became like brothers. As kids we looked up to Deon and knew him as the best barber in Texas. Later on we found out he was only a few years older than us, but the accomplishments he made at that point made us respect him even more. I've witnessed the great heart Deon had, through helping people and inspiring those around him to do and be better. Life has a way of changing your course at times and even after your accident I still saw the great caring heart you had. I will always choose to reflect on all the great times, and I hate you were called home under these circumstances. I am thankful though, that your struggle and suffering are over. Love you bruh “Lil Rick”

“ On behalf of the East Family, we offer our sincere condolences to the family of Deon. Deon was my brother 's barber and later he started cutting my grandson's (Korin) hair. I enjoyed being around him. He kept me laughing about something and always told me the truth if my hair or something wasn't on point. Deon had an awesome work ethic when he cut my brother's hair (Craig East) RIP.. He would cut his hair at 3 or 4am ...What barber does that.....Love you Deon and now you are finally home..
