*Krystal will be missed. Whenever she was in our Mixxfit class, she had a lot of sprit with a big smile that lit up the room. At the end of certain songs she would do a high kick! That's why I called her my cheerleader! You will be miss! 🙏 for her family and friends that God keep you up with his spirit!*

*“ What can I say about the best friend a person can ask for. I am so happy my daughter had you as a confidant and friend. I have enjoyed watching you girls grow into wonderful women. You were a caring a supportive soul but we KNOW you were NOT to be played with and I loved that about you. Thanks for even supporting me in my journey into teaching dance fitness. You definitely brought those "good knees" and hip shaking fun on that middle row. 😊 We will all miss your spirit and I thank you for being a massive part of Toni's life.*

*“ Kristal I love you and will cherish you forever. I'm going to miss calling you every year in October trying to figure out what are we going to do for the kid's birthday. I promise to do my part whatever that may look like for the family.*
