“ I thank God for sharing with us this Beautiful soul.I thank God that I could call her "Mama ". She was a beautiful and gifted person. She gave so much of herself to everyone and every thing she came in contact with. She was so Loving and caring. God blessed her with a gift to enhance every thing she touched. God blessed her to gift life to things that seemed dead. Put a struggling plant in her hands with in days, it is thriving again. She gave so much of herself. She gifted so many with quilts and crocheted blankets, plants and gifts from her gardens. She was gifted to raise gardens with with the best vegetables you ever wanted to put in your mouth. God blessed her with a gift and she didn't mind sharing it with others. I cherish the beautiful quilts she hand made and crocheted. She was always working with her hands. I. Thank God for the gift of my Mother. I will cherish her always. Miss you so much Mama. Until we meet again, take care. I Love you 💜
