“ *My sweet cousin. The smile says everything about you. Our earthly circle is decreasing in diameter. It is Heaven's gain.*

“ *Wow Lesha. I really was caught by surprise on this. We've been friends since fourth grade. I can't count the many sacrifices you made for me. My heart is truly broken by your home going. But I have great comfort in the fact that we got to sit down that one last time for lunch. Thank you for your friendship. I still can hardly believe I'm writing this, and doing so in tears. I so sad you are gone, but I'm glad you are home with our Savior. We can't sing "We are the salt of the earth" together anymore... but that's because you are a beautiful flower in Heaven now. Save a seat for me... That's all!*

“ *Lesha, I miss you so much. You were truly like a sister to Bradley and me. I miss your hug and your smile. You will never be forgotten. Love you sis.*
