“ I worked with Lyle at Entex Gas, late 70's early 80's! We had so much fun in the credit dept. Lyle was hilarious, always making us laugh! I visited with him at the hospital, the day before he passed away! He was alert, and talking. Of course we talked about our Entex days, and him serving in the Vietnam conflict! A friend in need, is a friend indeed! Lyle, rest in eternal peace!
A lifelong friend,

“ **LYLES QUENTIN BARNES** has transitioned from time into eternity.
I worked with Lyles at Centetpoint Energy. Lyles was a kind person, humorous at times, pleasant and a great person to work with. A beautiful person and soul. I loved listening to him on the radio on Sundays.

My condolences go to his family. May God bless you and strengthen you during this time.

“ *To my dear father-in-law, I sure miss you. I have not fully processed you not being here. Thank you for accepting me as your daughter-in-law and welcoming me into the family with open arms and love. I had the best in laws ever!! You were always so generous and supportive. You were a devoted husband, a steady and present father and a proud PawPaw. Your love for your family ran deep and we all felt it. Now that you are gone, there is an empty space. I won't be able to get on you about making sure you eat or bring you some home cooking, you know I had to make sure you were always taken care of. I am going to miss Celebrating your birthdays and holidays, but we will continue celebrating you in spirit. I love you Daddy-O. Give Mama a hug and a kiss for me. P.S. I will make sure Brian and Jp are well taken care of. ~Your Daughter-in-Law Tedi Barnes (bo bedi)!! ❤️*
