

Ms. Mable Lee Victoria

October 28, 1955 - July 28, 2023

Mable Victoria

On October 28, 1955 in Fordoche La, Oscar Sr & Lillian Carter became the proud parents of a baby girl whom they named Mable Lee AKA Vickie.

She attended school in Valverda and New Roads, La. Mable lived most of her life in New Roads, where she was a cook, dietary aide, and housekeeper in hotels and nursing rehabilitation facilities. Later in life, she moved to Houston Texas where she continued working in dietary services, until she retired.

Mable was a bright shining light who was full of life, laughter, personality, and love. She has always been full of humor, and the life of the party. With her, it was always easy. You could be yourself, and not feel judged. For that reason, most looked at Mable as their safe space. She enjoyed spending her time cooking, fishing, dancing, and most importantly being with her daughters and her grandchildren. She accepted Jesus Christ as her Lord and Savior.

On July 28, 2023, God called Mable to her eternal home; She's proceeded in death by her parents, Oscar Carter Sr., and Lillian Terrance Carter; Six brothers, Blanchard Howard, Oscar "Muckie" Carter, John "Wobbie" Carter, Roger Carter, Albert "Buddy Red" Carter and Willard "Poppee" Carter, Four sisters; Cora "Coco" Carter, Rose Carter, Annie C. Houston, and Gertrude "Patsy" Lane.

She leaves to cherish her memories, her three daughters Yolanda, Kenya, and Jessica Victoria. Three grandsons Savon Duncan, Kayson Nguyen, and Jakari Battle. Three sisters, Geneva White, Rebecca "Becky" Watts, and Kay

Carter, as well as a host of nieces, nephews, other relatives and friends.

“ Mama

The love you shared with me is what I will cherish and remember the most. Those calls from you “just checking on you and them babies” meant so much to me. What a blessing you were. So loving, so accepting, never judging it was always JUST LOVE. You are the reason beef tips are one of my favorite meals . It was a lovely after school day in copper cove apartment’s in the early 2000s , that I had my first ever beef tip and yepp that changed my life 😭😭! I hope you and my mom up there cackling at Heavens Jack in the box I bet they coffee BUSSIN. And thats a good thang. Take your rest queen we’ll take it from here. “ *Oo Mama! The way you embraced me EVERYTIME you saw me. The way you spoke positivity over my life. The way you loved EVERYBODY unconditionally and unapologetically. If I learned anything from you it would be this: Love that is freely given, with no expectations, will always be reciprocated.*

We love you mama girl!

“ *I remembered the first time we met at our Antoine Apt. We hit it off like sisters looking out for each other. Our Friday nights were fun, jumping in the pool fully clothed because it was hot. Our Lil secret. Our friendship last for over 30 years and I will miss you so much. Love never ends. Rest well my sister.*
