“ *Marcel was truly one of a kind—a genuinely kind and beautiful soul, inside and out. He was always there for me, especially during the moments when others weren't, and I'll forever be grateful for that. He poured his heart into his work and cared deeply about making a difference for every young person at the shelter. His smile had a way of bringing comfort, sunshine, and love to everyone around him. Marcel's presence meant so much, and his absence will be felt deeply. He will always be remembered and missed. With heartfelt sympathy. Lisa Holland Smith*
