“ My Big Big Big hearted ❤️ cousin. I am glad that you are at peace but when I say my heart 💔💔💔💔 is broken I am so sad! I am going to miss all my phone calls, and visits. There's no doubt that you were my favorite boy cousin even though it felt like you were my brother! I prayed and asked god to let you be ok although this wasn't my idea of you being ok. Man I hate that you're gone and I still can't believe it. You have always been very kind to everybody we love you and will miss you!

“ *I love you Unc. Never saw it coming. But I remember living with you and you saying nephew you can't always be skinny; go hit them weights 🤪😭. Fast forward just last year you noticed I was hitting them weights. Unc you had a big heart, and showed unconditional love. You deserve this celebration of your life. Hate it had to be this way. Love you always!! You gave me the chances I have now here in TX. Forever grateful ☐*

*I've been in disbelief for a few days now. You wasn't only my classmate but also my friend. I'm going to miss our conversations. It was always a joy being in your presence because you made it fun & memorable. You made any occasion more enjoyable for the individuals around you. You were kind hearted & didn't mind expressing your thoughts. Although, you're no longer among us the scripture is clear to be absent from the body is to be present with the Lord. You'll definitely be missed by many. Take your rest Marcus, R.I.P. Love always, Tab.*
