“ Goodbye sweet cousin. My heart misses your beautiful, loving and kind heart. I will always appreciate the extra love you showed to my daddy and brother Zachary. Thank you for the years of going to their home to cut their hair when daddy got older and Zachary was also not well. The love you showed daddy when he was in several nursing homes, I thank you for always taking time to see him and would show up at odd times to make he was being taken care of properly. I will miss your calls, especially during an extremely difficult time I was going through. You always texted or called to lift me up. You are loved. You are missed.

Your cousin,
Nancy Gordon

“ Mike was a man of Faith, Kind, Love, Joy to be around. I've known Mike for over 20 plus years. We work together side by side. My home away to work with Mike was like brother Love. We had talked and laughed plenty of days while working. Mike had a big heart for people. I admire him for that. I appreciate everything. (“Now my brother get your rest”) :The Bible says: (In Psalm 37:23) “The steps of a good man are ordered by the Lord: I believe your steps was ordered. Praying for his Wife and Jasmine and the whole entire Hopley family. May God grant you peace and comfort as the day goes by. Remember this verse :Psalm 121:2 says that your help will come from the Lord. With LOVE My Brother Til We Met Again. You will be missed From your Co Worker: (“Rev. Willie Brown Jr.”) 08/27/25
