“ Michael and I were classmates and friends. He came across my mind today and I wondered how he was doing. Saw a post on his brother's Facebook page and someone said, "your brother was a good man." Michael had such a beautiful smile. His art work always blew my mind. So heartbroken to know my friend passed away. May God bless his family and keep them. Especially his daughter Savannah. Sincerely, Monique Johnson

“ Savanna - daughter  
He was the best dad that I could ever ask for,  
I miss him more than anything in the world.  
Why did he have to leave me when I need his  
guidance more than anything especially in  
this stage in my life when I don't even know what I'm doing  
anymore? I wish I could hear his voice, I wish that I can hear his  
voice more than anything I love you so so much daddy ❤️
