“Mindy, so many beautiful memories of you and your talents. Sending my condolences to the Benjamin-Resby family. Mindy touched so many people's lives with her smile & pleasant personality. I'm going to miss you, Mindy. To her children, know that your mom loved each of you tremendously. She lived her life with you guys in mind at all times. Please stay focused and encouraged. She wanted nothing but the best for you guys. Until we meet again, Mindy.

I will continue showing up for all my cousins as they are grieving I know that is what you would have wanted you used to always tell me “Tay Tay take your cousin out with you, she need to learn how to drive y'all both can practice” lol.
