“*To the family of Ms. Theresa Guilly, I extend my deepest condolences on the loss of your mother. She was a remarkable individual, radiating beauty both inside and out. Her presence was truly inspiring to all of us at My Computer Career. As the Office Administrator, I always anticipated her attendance in class. Please know that she will be profoundly missed. I am very close friends with Ms. Guillory's daughter, Marlo and husband Lee, and was introduced to mom Guillory at one of Marlo's celebrations at their home and quickly realized she was loved and honored as the matriarch of the family. I remember when Marlo was attending her mom's graduation for her studying ministry. Mom Guillory was very special and loved her family and God. She will be greatly missed but now she's doing God's work from high above. Rest in power and peace mom Guillory 🙏❤️ my sincere condolences to the entire family. God bless you all, Colleen and Kermal Hunt ❤️

“*Mommie you never treated me any different from your own blood family. Always made sure to make sure I always felt welcomed even though I was Lonnie little cousin. You will truly be missed. Thank you for always making sure I felt like family. Nicole*

“*Mommie 😭
Your Mj misses you so much. He cried so hard. But then he told Adonis that you went to see Jesus. I know that's exactly where you are so happy to be. Thank you for taking care of my babies. The only person they ever stayed with. An as much as you would ask when we were coming to pick them up, you would call right back and ask when we were bringing them to you. I always think about you when I make chicken and rice. I'll think about you even more now. You were my birth month buddy. You did what you were meant to do on this earth. And you did it with love, a whole lot of laughs and even more prayers. We will miss you soooooooooo much. Watch over your daughters, your grandkids, an allllll your babies💜*

“ *My heart is heavy as I reflect on the memories with Mommie. She was the kind of woman whose love was felt deeply, whose wisdom guided many, and whose presence made it feel like home. I will forever cherish the memories—her warm hugs, the way she lit up a room with her smile. Though she is no longer with us in body, her spirit and love will live on. Rest peacefully, Mommie. 🙏🙏🙏*
