“ *Top Flight was the given name to the man with MILLION DOLLAR SMILE. The assignment was not to let anyone into our meeting place to disrupt our work and he did just that while watching the game.*

During the flood, he and Brittany found a house in 3rd Ward and she had left the vehicle running while she ran back in the house. It was funny because he said I told her we don't do that here if you want your car. When he was telling the story we both said yep, not in the hood and fell out laughing. All she could do was smirk and shake her head and say, "I didn't know."

TOP FLIGHT always remembered and never forgotten.

Brittany you got me, when you need me never forgot it. Always a phone call, text or email away. I love you!

“ *I've known Otis since we were Ridgeway Rangers in the 80s. In all that time I never heard him say a malicious word toward anybody he knew. An honestly good person. Nothing was for show.*

“ Dear Brittany,

We were very sad to hear the news about Otis. Although we did not know him, we do remember attending your beautiful wedding. The fact that your father always spoke very highly of Otis was enough for us to realize he was a good man.

We have been thinking of you since we heard of Otis' passing. May your family, friends and treasured memories bring you comfort at this most difficult time.

*With love,
Stephanie & Mick Weinberg*

“ I met Otis over a decade ago through my cousin. Since our meeting he became my FAM! He taught me and exhibited through his own marriage what a WHOLESOME marriage looked like. We would have numerous conversations about various subjects ranging from marriage, to just life in general. He always rendered good advice Otis loved to talk so every time he called it was not always a convenient time, but I always made it a point to return his call because he was my “fam” and I loved him! Otis was the inspiration that showed me that I too could have a successful marriage. I’m hurting bad! His legacy will live forever!

“ Otis was the first really cool, really tall 😊 and kind-hearted persons I met at the Ridge. Years later I ran into him here and there, the last was at a breakfast stop in Stafford about 3 years ago. He was always encouraging and jovial. I'm deeply saddened to hear of his passing. Deepest condolences to his family. He will be greatly missed. 🙏🙏

“ I remember Otis working the overnight shift. I was a supervisor and Otis was suffering with his feet and when I made rounds on the overnight shift he I would come to the floor and Otis would have the biggest feet I’ve ever seen propped up on a chair with no shoes or socks. I’d laugh all night 😂😂

“ We first met working at Harris county juvenile probation. We kicked it off instantly. Even knew some of the same people in the music game. We had discussed plans of starting businesses together or at least helping each other out. Hung out quite a few times even after our time at HCJPD. Definitely a good guy who will be missed. Wish we could’ve chopped it up one more time fam. Love you bro.
