“ I remember Pam and Tony in Oct. 1991. We were next door neighbors and they both were very nice and caring to all. I will always remember Pam as a very soft spoken and friendly person.

“ I have known Pam since 2006 when I first started working at HNWMC. She was a genuine and beautiful soul. She was so sweet and giving without ever seeking anything in return. I would often bring her breakfast or treat her with her favorite Starbucks coffee drink. Work will never be the same without her. 💔 Rest in Heaven. Love you always.

Pam. My dear sweet best friend. I'm lost without you. I called your phone this week just to hear your voice again. I know you are rejoicing to see your lost loved ones again. I will never forget you and you will stay in my heart forever. Until we meet again. Rest well my friend and I love you forever. 😭💔
