“ You were definitely one of a kind. One of the best promoters to ever do it. Now your soul can rest and reunite with your Mom in Heaven. I pray your family and all who loves you find comfort and peace in her passing. You’ve changed and touched many lives with your unexpected transition. Fly high my boy your wings were ready but so many others were not.

“ *Rafael attended Hoffman Middle School with me. He was funny, smart, & I also remember him confiding in a few that he lost his mom at young age. He lived so close to school and always was a joy in class. He had a laughter that carried on from adolescence to adulthood & it was very contagious. Many loved him & he touched many lives. I pray that he gets to be with his mom in Heaven. And that God takes care of all he left behind.*
