Ms.Pat want y'all to keep your heads up high.He in a better place now....He don't have to suffer no more...We know he was in so much pain & discomfort even though he barely showed it...We treated him no different even though we knew because that's what he wanted to live his best life the rest of his given life.He loved his 3 children no matter what & would bend over backwards for u all...Yall stood by his side during his sickness & I applaud u all for that...He Loved Yall Soooo Muuuuccchhh...!!!*
