Regenia was a wonderful coworker and the best of friends. I am feel very grateful for her friendship and support. She was always open and welcoming, regardless of the issue at hand. She really knew how to be a friend. You will be missed dearly.

“ *Regenia was a beautiful sweet soul. She made our days brighter with her sweet smile and silliness. Her laughter and joyful spirit was infectious. Prayers and condolences to her family. Rest in peace beautiful Regenia.*

“ Regenia was a great friend and coworker. She was so special. I will never forget her kindness, knowledge and her laughter. Best laugh ever. She talked of her family and how important they were to her. She was a people person. She cared for others before herself. I know she is with Jesus

“ Auntie I don't think I have come into terms that you left this world but still here in spirit. You were that one person I could secretly call and talk to you. You knew every time when something was wrong even when I try and lie and say it wasn't. You took me in for a few months when I was caring my 1st born and never left my side. Took me to my doctors appointment and stood by me until he came and you was right there to greet him. It's so many memories we shared and no one knew a lot of times you was my comfort. Your heart was so big and you never judge me. That smile and laugh I never forget and I'm so sorry I wasn't there when you probably could have used extra comfort or just company. I love you and so happy you were my aunt/mom. You gave the most sloppy kisses on the cheeks. 🥰🙏
love you always queen and lovely soul. Love you niece Nicole.

“ I met you under sad circumstances but right away I could tell you were a person who was full of love and positivity and who put the needs of others before your own. May you be remembered by the impact you left in others lives and may your memory and legacy live on through your loved ones.
