“ To the family of Mr. Richard Stanley-

I would see Mr. Stanley quite frequently (recently) as he would visit the Centennial Gardens in Hermann Park . He always made it a point to stop by and chat before finding a shady bench to take in some quiet time . I always made sure he had a glass of water whenever he found time to stop by . As the young lady (Camilla) mentioned he always greeted with a pleasant smile. I always teased him about being the “ Black Fred Astaire” as he was as smooth as peanut butter on the dance floor. I’m sure he’ll be giving line dance classes in heaven . Dance on Mr. Stanley until we meet again !

“ *TO: Cousin Bobby Jean and family -- Our thoughts and prayers are with you today. So many precious memories, thoughts and feelings fill our hearts today. Our deepest condolence -- my God strengthen and comfort you!!*

Going down memory lane: Richard attended San Francisco State University, played the saxophone, and line danced. I was inspired by Richard to accomplish these three goals as well.

Richard, I will remember your loving ways and contagious smile, forever!!

FROM: Baby Sister (Camilla Brown); my daughter, La Tanya; and my nephews, Clemente Mathis (Yvette's brother); and Julius Johnson (Yvette's son).
