“ Marie
Just know that earth has no sorrow that Heaven can not heal. We may not understand but we trust God in all things like Proverbs 3:5-6 tells us. We are praying for you and your family that God will continue to give you the strength that you all will need to get through. We love and we are here for you. Scotty will be forever in our hearts.

“Babe, you will forever hold my heart. I am missing you so much right now. I'm told I need to be strong and you are such a strong person. Babe this is my weakest and I don't want to be strong if I don't have you. Please don't leave me, stay with me always. Please whisper in my ear and say something only we know so I can be sure its you. Hold my cheeks and kiss me on the lips. Call me Hun over and over. Never imagined you not being here living our dream retirement, in our dream home. You spoiling the grands with all the riding equipment, rearing up my lawn. This is so so hard. Rest Easy Hun till we meet again Love Love Love You till 4ever. Never will I stop. ❤️💕😘
