“ *I love how everytime I see Mama Ruby and I ask her how she is doing she would always say, Sharonnie I can't walk, I'm getting old, and I'm in so much pain. I would reply and say Mama Ruby I'm going to get my belt for you and she would laugh and say na I'm doing just fine and we would both laugh because she knew she was in better health than all of us! Mama Ruby you will be truly missed. Love your 1st granddaughter, Sharonnie!*

*I'm going to miss my Auntie!  
I often think of her . Wondering what she's doing . When I use to pick her up to take her to the adult daycare center years ago she always had a smile on her face . She reminded me of my dad which was her Brother Worthel . She will me missed .*

“ I remember spending the night with Mama Ruby when I was about 8. She asked me did I wanna paint my nails and of course I did ! I asked her for nail polish remover she said, “Oh you dont need that just put the new paint on top and then wipe it off it will take off the old polish then you can paint your nails with no problem.” And sure enough it worked Lol. She was always so sweet and calm. Her and my mother had a beautiful bond and now they will see each other again. Sending Love and prayers for strength and comfort to all of the family.

*I was sad to hear that Mommy Ruby had pasted away. But we all know she is in a much better place with our Heavenly Father She will surly be missed by everyone that she ever came in contact with. Her sweet spirit will live on in all of us. She was blessed to live a long for filled life. She has helped so many people in her life. She lived with Kenneth and I for a few years and I thank God for all the help she gave us raising our daughter. She was a remarkable woman of God. Our father has called for his Angel to come back home. Thank you Lord for allowing me to be in her presence. She will be truly missed.*
