“ I regret not spending more time with Moms, Sister Ruth. Memories, however of the moments spent with her will always bring a smile to my face and a warm feeling in my heart. The adjectives gracious and fiery might seem contradictory, but Mom managed to integrate those two traits into one unassuming little lady. She freely gave wise counsel and stern rebuke when needed, while never neglecting to pray for my daughter and I. She will be missed. Rest in Peace, Moms.

I remember Sister Ruth as a pleasant cheerful woman of God. She always ready to give a word of encouragement to the young women of the Philadelphia SDA church in New Amsterdam Berbice. Her smile always warms the heart. May you rest in peace until our Lord comes to take us to his home in heaven 🙏😭💔. To the Johnson family, Floyd and the rest of your family and extended family I'm sending my regards and condolences to you all. God give you all my time to grieve for your love one. “ Such a wonderful woman of God, she has been one that embraced me as a new member of SDA church in NA. I remember the cooking class done at her home. Spoke with her last month and she shared her life changes, conversation ended with her stating God has blessed her with a wonderful son and wife who takes care of her so that she lacked nothing. We agreed to keep faithful. Deepest condolences Floyd, June and family. Sis Dolly

A sweet and wonderful saint of God has gone to her rest to await the call of the Life-giver at the last trump of God, when the dead in Christ shall rise first. Sis. Johnson, whom we often fondly called Sis J was a woman with a great sense of humour. She loved a good laugh despite being a serious woman of God who supported others on this journey called life, by her hospitality and her words of comfort, advice and well wishes. She was not to be left behind and so used social media to her advantage to connect with her many family, friends and acquaintances scattered around the world. I was sure to be remembered with a birthday greeting on Facebook each year, except noticeably this month as she was too ill to do so. She will be sorely missed. Deepest condolences to her family and friends and especially to her son Floyd, daughter-in-law, June, and grandson, Timothy. May the Blessed Hope of our soon-coming Saviour and the sweet memories of your loved one, sustain you all as we await our change. Janice Mingo & family

Sis Ruth, my name sake, was a blessing to us in the Philadelphia S D A Church in New Amsterdam, Guyana. She was a humble person with a sweet smile who loved Jesus. She kept a branch Sabbath School on her home and was instrumental with God's help in helping them to accept Jesus as their Savior. Although she migrated to the USA we kept on touch. For her age she was very proficient in the use of the new technology. I will miss our texts and video calls. I am very thankful that I was able to visit her last year to talk and pray with. She was a faithful servant and I am sure if I am faithful we will meet again. Blessings to her son Floyd , daughter June: yes, she told me that June was more than a daughter, and other relatives and friends who were there for her. May God comfort you as only He can. Sleep on my dear sister friend.

“ As a young pastor in the New Amsterdam District of the Guyana Conference of SDA, Sister Johnson was a staunch and caring supporter. Her prayers, her kindness, her many gifts, her encouraging words were never forgotten; neither are the countless other ways she blessed me and my family . Her cheerful spirit is undoubtedly one of the many reasons for her longevity. We thank God for her inspired life and for the many decades she was lent to us.

Rest our dear mother, we will see you in morning . My family shares the loss and our sincere condolences to those left behind .

“ Sister Johnson was a beautiful person to know. Many Sabbaths we would greet each other before or after church. Her smile and personality was contagious. She brought joy and laughter even when she was bedridden at Floyd and June’s’ home. Our sincere condolences to the family. 🙏💕

“ Sis. Johnson and I were in Floyd's Sabbath school class at World Harvest Outreach. We communicated on the telephone every 3-4 months. She was an alert and attentive friend to so many. I will miss her calls. May God bless her family and friends.

Aunt Ruth has been a spiritual mother to me since 1981. I'm especially grateful to her for the unique wisdom and guidance that she willingly poured into me. My frequent visits to check up on her during the time that Floyd was away at USC became more dynamic moments in the school of "Overcoming Perils among the Brethren". I felt as if I were Timothy being counseled by both his mother Eunice and grandmother Lois in the same session. Those caring, candid and motherly moments are forever etched in my memory.
