“ It’s 3 am in the morning and it’s finally hitting me that in a few hours we will be saying our goodbyes.. I really haven’t just sat in the realization that you are actually gone until now. I’ve been moving in a trance just trying to process it all. Trying to stay strong for mama especially. I know that it’s just the body we saying good bye too. I know your soul is at peace. Free from pain and free of sadness. I know you watching over us. And we will always love you for the dad that you were. Especially to Jordyn. You were her everything. She has her own little message for you that we gonna put it right there inside the coffin with you body so that it’s there forever. And by the way You looked so good in your suit! Very handsome and dreamy. Until we see each other again dad. Just wanna say we love you and miss you already!

“ In tears writing this not ever will I see your smiling face in human form again but settles my heart knowing in spirit will meet again. Daddy we’ve both had our share of faults but there is no doubt I loved me some you and you loved me some you. There is one more thing I need from you and God to do save me a seat in heaven right next to you. I love you now,still,and always your baby daughter Kimberly

“ *If you can't help, don't try to stop me. I'm on my way, don't try to block me. I have a race to run and I'm running by Faith. At the finish line, I'm gonna see God's Face*

*Dad not only were you the greatest earthly father to me...but you were my best friend...when I needed to talk we talked...you would listen to me without opening your mouth until I was finished...and you gave me advice that I will never forget...I miss you already so much and I'll never forget you...  
Dad I love you so much and I'll miss you for the rest of my life...And I'll see you one day in the Kingdom....  
Your Son,  
Samuel*

*You truly taught me to be a man of principles and morales . You always went above and beyond what a man was supposed to be when it came to loving and supporting your family! You tried to instill within me all of the components needed to become a man of integrity such as yourself, a man whom I always admired and sought to emulate in all aspects, and of which I failed in my aspirations, but the truth of the matter is that it was never a fault of your own, but my inability at that time to fully grasp a understanding of what road I should travel... though I ventured off course many times, but I can honestly give thanks to God most high, for bringing me to the area of life that you wished for me, and God mandated for me. I thank you for all that you've been in my life, you have impacted me in so many many ways! I miss you "OIMan"! And that will be forevermore! Rest easy in comfort, and know without doubt that one day we will have the joy of gazing upon each other's faces in love and appreciation! Thank you for being who you are! Love you, with admiration and gratitude, Cubby ( R.I.H.)*
