“ *I met Sandra at the bridal shower for my granddaughter and her grandson, Mello and again at their wedding. She was so much fun. She was kind and thoughtful but most of all she made me feel as if I had known her all my life. She was an amazing woman. What an honor it was to meet her. My family sends loving and sincere condolences to all who had the privilege of having this amazing woman and friend, to all she met, to be a part of their lives. Our prayers continue.*

Mom, I miss you so much and I cannot wait to see you. I cannot live without you. I hate this place and it was ONLY beautiful because you were in it. Now that you are gone it's not so beautiful anymore. I love you and I miss you so much. I have no one and people turned their back on me behind money. You are gone, my grandparents are gone, my sister is gone, my great grandparents are gone. Everybody is gone and I was left here by myself. I am ready to come home to be with my family.
