“ *Hey 🙌 mama it's almost close to 3 years come November and all I can say is wow I can't even explain what is is that I'm going through mentally but I understand now I'm pushing 29 and lyfe Is full of twist and turns but I'm fighting my way through . You was right on how they was going to treat us after you was gone and safely I regret to have doubted you. Besides that me and Justin broke up for a year but we tryna rekindle I'm tryna be more patient and listen more lol hell next year would be 8 years we would be together I think he's the one mama all I can say is that I'm so proud of you and with out a doubt I never doubted you just wanted us to live the life style you wanted but I'll make sure we get there you keep resting up baby and watching over us cause I'm. Not through I promise I'll make the best of what your motherhood left me we 4 ever love you mama*

“ . this house really isn't the same without you , I haven't heard your laugh in weeks , I haven't seen you in months , I haven't had a good laugh with you in forever. I miss our good laughs and how we never fought , I loved how you enjoyed spending your time with me , and I miss when you put effort to see me , I miss when you were yourself , I think I just wish you missed me like how I miss you . although i don't come home to your face anymore , although you couldn't make it to my basketball games or track meets , although you couldn't see my business process , i know you'd be the happiest person & most supportive person to be there , throughout all of it, my heart shattered when you left me , mama you gave me everything abt child could ask for. although you can't be here today i still know you are proud of me.
