“ Condolences to the Johnson family, to your mother, your son, your partner. Im so sorry for the untimely loss of Shatika. To my friend Tika I was blessed to meet you 2 years ago and I immediately knew how much of a genuine person you were. We connected from our love for dogs and I am happy to got my Doggy Vlad from you. I will always have something to remember my friend by. The last few weeks of your life I appreciate you being there for me when I was facing my own struggles. You were a true friend until the end. A beautiful soul inside and out. Rest In Peace 🙏 Until We Meet Again. Brittney Knox
